CAWNY's Google Classroom Consent Agreement for the School Year 2020-21

The "CAWNY's Google Classroom Consent Agreement for the School Year 2020-21" dated August 11, 2020 has been uploaded to the school's website.

I agree it is my responsibility to have students only on the YouTube areas assigned by teachers. I understand that Google Classroom contains instructional YouTube videos.

Our family gives consent to guard the student's access to YouTube.

Thank you for your family's partnership.
